STATE OF OREGON, county of Marion, ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amo	ount of water which can be applied to beneficial use				
and shall not exceed	second measured at the point of diversion from the				
stream, or its equivalent in case of rotation with other water users, from an unnamed slough					
The use to which this water is to be applied is	supplemental irrigation				
,	imited to 1/80 of one cubic foot per				
of not to exceed 21 acre feet per acre for	c each acre irrigated during the irriga-				
tion season of each year, provided further	r that the right allowed herein shall be				
limited to any deficiency in the available	supply of any prior right existing for				
the same land and shall not exceed the lin	mitation allowed herein,				
and shall be subject to such reasonable rotation sys	stem as may be ordered by the proper state officer.				
The priority date of this permit is	April 3, 1972				
Actual construction work shall begin on or be	efore March 30, 1974 and shall				
thereafter be prosecuted with reasonable diligence of	and be completed on or before October 1, 19				
•	osed use shall be made on or before October 1, 19.75				
WITNESS my hand this30th day of
