STATE ENGINEER

By

ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same,
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 0.05 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from South Umpqua River

The use to which this water is to be applied is general school use

If for irrigation, this appropriation shall be limited to of one cubic foot per
second or its equivalent for each acre irrigated

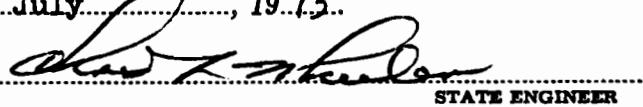

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is May 2, 1972

Actual construction work shall begin on or before July 27, 1974 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1975...

Complete application of the water to the proposed use shall be made on or before October 1, 1976...

WITNESS my hand this 27th day of July, 1973.
