13. Construction work will be completed on or before October 1, 1975

14. The water will be completely applied to the proposed use on or before October 1, 1976

Mildred B. Ditzgould (Signature of applicant)

Remarks: This land is included in Certificate No. 5563 with the right of diversion from the Klamath River. However, because of changed land ownership patterns and the construction of the Weyerhaeuser Company haul road, it is no longer convenient or economical to convey diverted water from the river to the place of use.

STATE OF OREGON, } ss. County of Marion,

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction and completion

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before August 7, 1972, or January 15, 1973

WITNESS my hand this 8th day of June, 1972, or 14th day of November, 1973

By Wayne J. Overcash ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 1.58 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from an unnamed pond

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/40 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3 acre feet per acre for each acre irrigated during the irrigation season of each year.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is May 8, 1972

Actual construction work shall begin on or before July 27, 1974 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1975...

Complete application of the water to the proposed use shall be made on or before October 1, 1976...

WITNESS my hand this 27th day of July, 1973.
