NOTE: Attention is called to Application No. 5224, Permit No. 2163, in the name of the Blue Mountain Ditch Co., ∞ vering the irrigation of part of the land covered by this permit.

STATE OF OREGON,

County of Marion,

88.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject

one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject
to such reasonable rotation system as may be ordered by the proper State officer
The right to the use of water herein granted is limited to irrigation purposes
The amount of water appropriated shall be limited to the amount which can be applied to beneficial
use and not to exceed
rotation. The priority date of this permit is February 4, 1918
Actual construction work shall begin on or before April 19, 1919 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before. June 1, 1920
Complete application of the water to the proposed use shall be made on or before
October 1, 1921
WITNESS my hand this 19th day of April, 1918

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.

This form approved by the State Water Board, March 11, 1909.
