\$8.00

STATE OF OREGON, County of Marion, ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eighth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The right to the use of water herein granted is limited to domestic supply.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.25 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is April 10, 1918

Actual construction work shall begin on or before April 19, 1919 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1920

Complete application of the water to the proposed use shall be made on or before

October 1, 1921

WITNESS my hand this 19th day of April, 1918

John H Lewis

State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6683, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.

This form approved by the State Water Board, March 11, 1909.
