William K. Reiner  
(Signature of applicant)

Remarks: This land has (or had) a water right from Cummings Co under Certificate 32293. Being unable to maintain ditch through neighbors property I wish to irrigate from the river which is adjacent to the property.

STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for .....

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before ....., 19.....

WITNESS my hand this ..... day of ....., 19.....

STATE ENGINEER

By ..... ASSISTANT

PERMIT

STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.06 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from John Day River

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/40th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 5 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is February 5, 1974

Actual construction work shall begin on or before March 12, 1976 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1976...

Complete application of the water to the proposed use shall be made on or before October 1, 1977.

WITNESS my hand this 12th day of March, 1975.
