Remarks: My husband and I plan to build a house for our own use on the
20 acre parcel shown on the enclosed map. Beginning of construction of the
house will depend on when needed improvements on the road can be accomplished.
We expect to do road repair this summer. House will not be fully completed
for some time, but water system will be needed before that time, for orchard,
garden, livestock and our own use while we are building.

Water will be needed in four houses total.
