(Signature of applicant) Franklin G. Drake, President Mt. Hood Meadows Development Corp.

Remarks: The herein permit application requests the appropriation of water for the purpose of providing fire protection and domestic supplies to the Mt. Hood Meadows ski area. The majority of the domestic water consumed at the ski area facility will be returned to the East Fork Hood River as effluent from the sewage treatment plant.

STATE OF OREGON, County of Marion, ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction and completion

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before April 23, 1973.

WITNESS my hand this 21st day of February, 1973.

RECEIVED MAR 20 1973 STATE ENGINEER SALEM, OREGON

CHRIS L. WHEELER STATE ENGINEER By Thomas E. Shook ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.26 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from an unnamed spring being 0.25 c.f.s. for ski facilities and 0.01 for fire suppression system.

The use to which this water is to be applied is for ski facility and fire suppression system.

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is February 9, 1973.

Actual construction work shall begin on or before September 10, 1976 and shall

thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1977.

Complete application of the water to the proposed use shall be made on or before October 1, 1978.

WITNESS my hand this 10th day of September, 1975.
