STATE ENGINEER

By *Wayne J. Overcash* ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.24 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Clear Creek and Pine Creek being 0.08 c.f.s. from Clear Creek and 0.16 c.f.s. from Pine Creek.

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/40th of one cubic foot per second or its equivalent for each acre irrigated ...and...shall...be...further...limited...to...a...diversion...of...not...to...exceed...4¹/₃...acre...feet...per...acre...for...each...acre...irrigated...during...the...irrigation...season...of...each...year,.....

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is May 17, 1973

Actual construction work shall begin on or before September 10, 1976 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1977....

Complete application of the water to the proposed use shall be made on or before October 1, 1978..

WITNESS my hand this 10th day of September 1975..

James E. Sorenson
Water Resources Director
