STATE ENGINEER SALEM, OPEGON

*APPLICATION FOR PERMIT

To Appropriate the Public Waters of the State of Oregon

I, Elmer SHARER (Name of applicant)
of R+1 Bo+ 207 47 , 177c Minn wille , (City)
State of Ourgon, 97127, do hereby make application for a permit to appropriate the
following described public waters of the State of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
1. The source of the proposed appropriation is System 11 Resource of the proposed appropriation is System 12 Resource of t
2. The amount of water which the applicant intends to apply to beneficial use is
cubic feet per second
3. The use to which the water is to be applied is
4. The point of diversion is located 1250 ft. w and ft. (R. or W.) from the NE
corner of
(If preferable, give distance and bearing to section corner)
being within the SE45w of Sec. Tp. 5.5, (Give smallest legal subdivision)
R. H. W. M., in the county of YATTHI
5. The P.P. IN E to be 6400 FT (Main ditch, canal or pipe line) in length, terminating in the NE 4 NE 4 of Sec. 13, Tp. 5, (Smållest legal subdivision)
in length, terminating in the NE 14 NE 4 of Sec. 13, Tp. 5 (Smallest legal subdivision) (N. or S.)
R
DESCRIPTION OF WORKS Diversion Works—
6. (a) Height of dam feet, length on top feet, length at bottom
feet; material to be used and character of construction
rock and brush, timber crib, etc., wasteway over or around dam)
(b) Description of headgate
(c) If water is to be pumped give general description 60 11 place wo to k
Designed Aspacit 776 gallons Der minute (Size and type of engine or motor to be used, total head water is to be lifted, etc.)

*A different form of application is provided where storage works are contemplated. Such forms can be secured without charge, together with instructions, by addressing the State Engineer, Salem, Oregon 97310.
