Remarks: Tax Lot 401 section 10 T10S R10W Wm. Lincoln County, Oregon

I plan to rework the ground, reseed and fertilize the pasture area, which will  
 need an adequate supply of water. Also have been raising a vegetable garden  
 that needs more water than my well will supply. With no fire protection in this  
 area I feel it is very necessary to have a good supply of water with and  
 adequate pump to use for fire protection of buildings.
