\$18.00

STATE OF OREGON,  
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The right to the use of water herein granted is limited to irrigation purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1.25 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is October 9, 1918

Actual construction work shall begin on or before December 7, 1919 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1920 EXTENDED TO 4/21

Complete application of the water to the proposed use shall be made on or before October 1, 1921 EXTENDED TO 10/22 10/24 10/25 10/26 10/27 10/28

WITNESS my hand this 7th day of December, 1918

Percy A Cupper  
State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6038, Laws of Oregon, and the Department of Public Utilities, Chapter 21, Section 21-10, Laws of 1915.  
This form approved by the State Water Board, March 11, 1909.
