JUN2 1975 STATE ENGINEER SALEM, OREGON

## \*APPLICATION FOR PERMIT

"CERTIFICATE NO. 5+169

## To Appropriate the Public Waters of the State of Oregon

1, Mottie B.	(Name of applicant)
* PO Box 254	
of PO Box 254 (Mailing address)	(City)
State of Oregon, 97812 (Zip Code)	, do hereby make application for a permit to appropriate the
	te of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give d	late and place of incorporation
	iation is Rock (Name of stream)
	a tributary of John Day River
2. The amount of water which the appl	icant intends to apply to beneficial use is
cubic feet per second(If water	
3. The use to which the water is to be	applied is (Irrigation, power, mining, manufacturing, domestic supplies, etc.)
CCACA	(Irrigation, power, mining, manufacturing, domestic supplies, etc.)
4. The point of diversion is located 3.	560 ft. 5. and Z890 ft. 5. from the 1/4
corner of Section 10	(Section or subdivision)
(If preferable give	distance and bearing to section corner)
	and the stating to section corner,
the difference of the second of the second of diversions within the wife swife second of the second	on, each must be described. Use separate sheet if necessary)  of Sec, Tp,  (N. or S.)
p //F www.	
5. The Dipeline	to be 200 feet  (Miles or feet)
in length, terminating in the NETA	NE/A of Sec. O, Tp. (N. or S.)
R, W. M., the proposed loca	tion being shown throughout on the accompanying map.
DESC	RIPTION OF WORKS
Diversion Works—	WILL TAGE OF WORKED
6. (a) Height of dam	feet, length on top feet, length at bottom
feet; material to be used and	character of construction(Loose rock, concrete, masonry,
rock and brush, timber crib, etc., wasteway over or around dam)	
(0) Descrip win of neadgate	(Timber, concrete, etc., number and size of openings)
(c) If water is to be pumped y gener	ral description 20 hp electric
•	(Size and tome of mum)
(Size and type of engine or mo	tor to be used, total head water is to be lifted, etc.)

<sup>\*</sup>A different form of application is provided where storage works are contemplated. Such forms can be secured without charge, together with instructions, by addressing the State Engineer, Salem, Oregon 97310.
