- x 13. Construction work will be completed on or before July 1st
- x 14. The water will be completely applied to the proposed use on or before July 1st

See Remarks

x Paul J. Luke
(signature of applicant)

Remarks:

I have to have your permit so as to get an easement from the Corp of Engineers to put pump on and lay underground wire to electricity to home. as you will see the lower 2 lots that I have cross shaded or designated on map belongs to the Gov. and this is the reason to keep it mowed & green. From fire hazard also you ~~keep~~ keeping the bush blackberries & such from spreading. also on map of description of property lots ~~seven~~ seven & ten the two that form the Gov property is all that will be irrigated as the other 2 do not join also I had Del Sparks 125 Lawrence help me fill this out

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for _____

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before _____, 19.....

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Middle Fork Willamette River

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is June 26, 1975

Actual construction work shall begin on or before February 13, 1977 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1977.

Complete application of the water to the proposed use shall be made on or before October 1, 1978.

WITNESS my hand this 13th day of February 1976
