- 14. The water will be completely applied to the proposed use on or before June 1, 1977.....

C. John Kopp
(Signature of applicant)

Remarks: North 6 acres in NE SE will be the last to be
constructed. A cable xing will be installed with provisions
to remove the pipe during flood seasons.

A pipe will be installed over the Nevada ditch with
Dressler coupling so it can be removed for maintenance
of the ditch.

Final design is being prepared by Parma Water
Lifter engineers for canal xing and pump pedestal.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying
maps and data, and return the same for completion.....

In order to retain its priority, this application must be returned to the State Engineer, with
corrections on or before April 25, 1975..

WITNESS my hand this 24th day of February, 1975.

STATE ENGINEER
SALEM, OREGON

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.93 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Malheur River

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/40th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is February 14, 1975

Actual construction work shall begin on or before March 4, 1977 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1977

Complete application of the water to the proposed use shall be made on or before October 1, 1978

WITNESS my hand this 4th day of March, 1976
