(f) If so, name stream and locate point of return.....

....., Sec....., Tp....., R....., W. M. (No. N. or S.) (No. E. or W.)

(g) The use to which power is to be applied is.....

(h) The nature of the mines to be served.....

MUNICIPAL SUPPLY—

11. To supply the city of.....
..... County, having a present population of....., and an
(Name of) estimated population of..... in 191....

(Answer questions 12, 13, 14, and 15 in all cases)

- 12. Estimated cost of proposed works, \$.....
13. Construction work will begin on or before.....
14. Construction work will be completed on or before
15. The water will be completely applied to the proposed use on or before.....

Duplicate maps of the proposed ditch or other works, prepared in accordance with the rules of the State Water Board, accompany this application.

B C Bostwick

(Name of applicant)

Signed in the presence of us as witnesses:

- (1) E E Blanchard (Name) (Address of Witness)
(2) R L Fetznev (Name) (Address of Witness) land

Remarks: This application covers water that has been used on the same/for more than ten years. It is the same gulch through which I bring my water from the Layton Ditch. When the Layton Ditch is too low to furnish me the necessary amount I wish to rely upon the same waters from this gulch as were already appurtenant to my land before the construction of my new ditch or all the water of Fiddlers Gulch.

STATE OF OREGON, } ss.
County of Marion,

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction or completion, as follows:

In order to retain its priority, this application must be returned to the State Engineer, with corrections, on or before....., 191....

WITNESS my hand this..... day of....., 191....

State Engineer.

\$5.25

STATE OF OREGON,
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, sub-
ject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to
one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject
to such reasonable rotation system as may be ordered by the proper State officer.

The right to the use of water herein granted is limited to irrigation purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial
use and not to exceed 0.2 cubic feet per second, or its equivalent in case of
rotation. The priority date of this permit is September 10, 1918

Actual construction work shall begin on or before February 5, 1920 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
June 1, 1921

Complete application of the water to the proposed use shall be made on or before
October 1, 1922

WITNESS my hand this 5th day of February, 1919

Percy A Cupper
State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the
payment of annual fees as provided in Chapter 213, Session Laws of 1915.
