PERMIT

39936

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 1.0 ~~acre feet per second~~ **acre feet stored water only** measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from a Reservoir to be constructed under application No. R-53525, permit No. R- 6395.

The use to which this water is to be applied is supplemental irrigation

If for irrigation, this appropriation shall be limited to ~~acre feet per second~~ a diversion of 2 1/2 ~~acre feet for each acre irrigated during the irrigation season of each year; provided further that the right allowed herein shall be limited to any deficiency in the available supply of any prior right existing for the same land and shall not exceed the limitation allowed herein,~~

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 12, 1975

Actual construction work shall begin on or before April 16, 1977 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1977

Complete application of the water to the proposed use shall be made on or before October 1, 1978

WITNESS my hand this 16th day of April, 1976
