13. Construction work will be completed on or before Completed

14. The water will be completely applied to the proposed use on or before

May 9, 1975

J. A. Thoreson
(Signature of applicant)

Remarks: This application is for the fire protection sprinkling of a Log Storage Deck area covering approximately 10 acres. The system is a portable pipe line and sprinkler system which will be in use during the dry, high fire hazard season.

Existing water right certificate Volume 12, Page 14006 is for 2.3 second feet for Log storage pond maintenance. We have applied for transfer of use of this certificate, but need the additional 0.9 second feet applied for herein to supplement the existing adjudicated amount.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before, 19.....

WITNESS my hand this day of, 19.....

STATE ENGINEER

By ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.90 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Row River

The use to which this water is to be applied is Log Deck Sprinkling

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 14, 1973

Actual construction work shall begin on or before May 17, 1977 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1978.

Complete application of the water to the proposed use shall be made on or before October 1, 1979.

WITNESS my hand this 17th day of May, 1976.
