PERMIT

STATE OF OREGON, } ss.  
County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same,  
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use  
and shall not exceed .0.19 cubic feet per second measured at the point of diversion from the  
stream, or its equivalent in case of rotation with other water users, from an unnamed stream and  
Reservoir constructed under permit No. R-5260.

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per  
second or its equivalent for each acre irrigated from direct flow and shall be further limited  
to a diversion of not to exceed 2½ acre feet per acre for each acre irrigated during  
the irrigation season of each year from direct flow and storage from reservoir constructed  
under permit No. R-5260.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is May 10, 1976

Actual construction work shall begin on or before August 5, 1977 and shall  
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1978.

Complete application of the water to the proposed use shall be made on or before October 1, 1979.

WITNESS my hand this 5th day of August, 1976.

*James C. Olson*
