- 14. The water will be completely applied to the proposed use on or before July 1977

Paul F. Sempel
(Signature of applicant)
Sola M. Sempel

Remarks: We drilled a well on this property in July 1975. The water has a hydrogen sulfide taste and may be inadequate for watering. So far we have not tried to use it for a lawn. We are interested in the spring water for drinking purpose and we may be needing the river water for irrigation.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for _____

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before _____, 19_____

WITNESS my hand this _____ day of _____, 19_____

STATE ENGINEER
By _____
ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.015 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from a spring and Umpqua River

The use to which this water is to be applied is domestic use for one family and irrigation, being 0.005 c.f.s. from the spring for domestic and 0.01 c.f.s. from Umpqua River for irrigation.

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is September 2, 1976

Actual construction work shall begin on or before January 12, 1978 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1978

Complete application of the water to the proposed use shall be made on or before October 1, 1979

WITNESS my hand this 12th day of January, 19 77
