Application No. 56033

Permit No. 41860

1860

Remarks: The five acres that was sold to the High-Way dept. was done upon their request. The spring was causing the hillside to wash down on the highway. They agreed to contain the spring and pipe it to the original owners needs and granted them a water use permit.

Application No. 56033.....

Permit No. 41860.....

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.005 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from a spring

The use to which this water is to be applied is domestic use for one family

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is July 18, 1977

Actual construction work shall begin on or before October 10, 1978 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19.... 79

Complete application of the water to the proposed use shall be made on or before October 1, 19.... 80

WITNESS my hand this 10th day of October , 19.... 77
