Application No. 56046

Permit No. 41947

Remarks:..... We must refinance our home through a bank and pay-off
..... our second contract and the bank will not finance our home without
..... a well or a water right. We drilled a 400 foot dry hole and must
..... now obtain a water right. We would appreciate your prompt action
..... because I may be faced with a foreclosure.

PC Application No. 56046

Permit No. 41947

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.045 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Woods Creek

The use to which this water is to be applied is irrigation and domestic use for one family; being 0.04 c.f.s. for irrigation and 0.005 c.f.s. for domestic use.

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is June 9, 1977

Actual construction work shall begin on or before October 12, 1978 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1979

Complete application of the water to the proposed use shall be made on or before October 1, 1980

WITNESS my hand this 12th day of October, 1977

James E. Hanson Water Resources Director
