Permit No.....

42224

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.03 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Illinois River

The use to which this water is to be applied is irrigation of Park area

If for irrigation, this appropriation shall be limited to 1/50th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3½ acre feet per acre for each acre irrigated during the irrigation season of each year

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is May 20, 1977

Actual construction work shall begin on or before November 23, 1978 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19...79

Complete application of the water to the proposed use shall be made on or before October 1, 19...80

WITNESS my hand this 23rd day of November, 19 77

James E. Larson
Water Resources Director
