Application No. 56583.....

Permit No. 42416.....

Application No. 56583

Permit No. 42416

Permit to appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.56 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from a spring and Kelly Spring Draw and reservoir to be constructed under application No. R 56582, permit No. R 6714

The use to which this water is to be applied is domestic use for one family and irrigation; being 0.005 c.f.s. from unnamed spring from domestic use, and 0.55 c.f.s. from Kelly Spring Draw and reservoir to be constructed under application No. R 6714, for irrigation.

If for irrigation, this appropriation shall be limited to 1/40th of one cubic foot per second or its equivalent for each acre irrigated from direct flow and shall be further limited to a diversion of not to exceed 4 acre feet per acre for each acre irrigated during the irrigation season of each year.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is September 12, 1977

Actual construction work shall begin on or before January 12, 1979 and shall

thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1979

Complete application of the water to the proposed use shall be made on or before October 1, 1980

WITNESS my hand this 12th day of January, 1978

James E. Jensen
Water Resources Director
