RECORDED

This instrument was first received in the office of the Water Resources Director at Salem, Oregon, on the 21st day of July, 1977, at 8:00 o'clock A.M.

Application No. 56051

Permit No. 42640

15010

Application No. 56201

Permit No. 42640

Permit to Appropriate the Public Waters of the State of Oregon

pc

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.04 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from a spring and Gate Creek; being 0.01 c.f.s. from spring and 0.03 c.f.s. from Gate Creek.

The use to which this water is to be applied is domestic use for two families from spring, and irrigation from Gate Creek.

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is July 21, 1977

Actual construction work shall begin on or before March 1, 1979 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1979

Complete application of the water to the proposed use shall be made on or before October 1, 1980

WITNESS my hand this 1st day of March, 1978

James E. Saxon
Water Resources Director
