Application No. 56798

Permit No. 42685

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.225 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from two springs and an unnamed stream.

The use to which this water is to be applied is domestic use for one family including the irrigation of lawn and garden not to exceed 1/2 acre in area, irrigation and stock; being 0.01 c.f.s. from spring # 1 for domestic use, with any deficiency in the available supply from spring # 1 to be made up by diversion from spring # 2, 0.005 c.f.s. from spring # 2 for stock, and 0.21 c.f.s. from the unnamed stream for irrigation.

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year; water to be diverted from spring # 1 when available, with any deficiency in the available supply from spring # 1 to be made up by appropriation from spring # 2, provided that the total quantity diverted from both sources shall not exceed 0.01 c.f.s. for domestic use.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is October 27, 1977

Actual construction work shall begin on or before March 1, 1979 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1979

Complete application of the water to the proposed use shall be made on or before October 1, 1980

WITNESS my hand this 1st day of March, 1978

James E. Skuman Water Resources Director
