Ditch.

Note: 6.02 A.C. NESE is supplemental
to original Wagon Springs Application -
Permit No. 4303

~~20 ac~~ 20 ac Supplemental to Permit
No. 4303 and 15 ac of said 20 ac
is also supplementally to Permit 233,
Cert. 19945

If for domestic use state number of families to be supplied.....

7. Construction work will begin on or before.....

8. Construction work will be completed on or before..... Completed

9. The water will be completely applied to the proposed use on or before..... June 1, 1978

Application No. 57028

Permit No. 43153

18123

Remarks: This acreage has been irrigated with a pump from the Nevada Ditch under a water sale right since 1952. The original owner T. A. DeMan installed the pump. It should probably have been included in the Final Plat Survey of Warm Springs Irrig. Dist. now being completed.

Application No. 57028

Permit No. 43153

Application No. 57028

Permit No. 43153

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.65 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Malheur River.

RECEIVED
MAY 15 1979

The use to which this water is to be applied is irrigation and supplemental irrigation.

If for irrigation, this appropriation shall be limited to 1/40th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3.0 acre feet per acre for each acre irrigated during the irrigation season of each year, provided further that the right allowed herein shall be limited to any deficiency in the available supply of any prior right existing for the same land and shall not exceed the limitation allowed herein.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is January 30, 1978

Actual construction work shall begin on or before July 5, 1979 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1980

Complete application of the water to the proposed use shall be made on or before October 1, 1981

WITNESS my hand this 5th day of July, 1978
