THE APPLICANT.

If for domestic use state number of families to be supplied .....

7. Construction work will begin on or before..... Completed.....

8. Construction work will be completed on or before..... Completed..... 04/06/1980 OREGON STATE DEPT.

9. The water will be completely applied to the proposed use on or before..... Completed..... 04/06/1980

Application No. .... 57371 ..... Permit No. .... 43207 .....

43503

Remarks: We have been irrigating from Rock Creek for nineteen years and did not realize that we had to have a permit until I went to real estate school. We have underground sprinklers thru all the property with a large lawn, fruit trees, grapes and garden for the whole neighborhood. We are urging you to please let us continue to use the water that we have used for so many years with no apparent harm to others. Thank you kindly.
