Application No. 56861
 Permit No. 43971

Remarks: The old water rights are out of Lost and Boulder Irrigation Ditch. The total 524.6 acres will be served with supplemental water from Res. 1 & 4. This stored water will be used to make up the deficiency in the available supply of Lost and Boulder Ditch. Res. 2, 3, & 5 will only be used for stock use. The stock will be drinking directly from the reservoirs.

Application No. 56861

Permit No. 48971

Permit to appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 7.90 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Lost Boulder and Forest Creek and reservoirs #1 & #4; being 2.63 c.f.s. each from Lost and Boulder Creeks, and 2.64 c.f.s. from Forest Creek for irrigation; and 15.0 a.f. stored water only from reservoirs #1 & #4 to be constructed under application No. R-56860, permit No. R-7805, for supplemental irrigation.

If for irrigation, this appropriation shall be limited to 1/40th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 3 acre feet per acre for each acre irrigated during the irrigation season of each year, provided further that the right allowed herein shall be limited to any deficiency in the available supply of any prior right existing for the same land and shall not exceed the limitation allowed herein,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is November 15, 1977

Actual construction work shall begin on or before April 16, 1980 and shall

thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1981

Extended to Oct. 1, 1983

Complete application of the water to the proposed use shall be made on or before October 1, 1982

Extended to Oct. 1, 1983

WITNESS my hand this 16th day of April, 1979

Handwritten signature of James E. Leonard, Water Resources Director
