Application No. 58355

Permit No. 44183

Application No..... 58355

Permit No..... 44183

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.068 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Goat Creek with any deficiency in the available supply of water from Goat Creek to be made up by diversion of water from a spring.

The use to which this water is to be applied is domestic use for one family and irrigation; being 0.005 c.f.s. for domestic use, and 0.063 c.f.s. for irrigation.

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2½ acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is February 22, 1979

Actual construction work shall begin on or before June 20, 1980 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19....81.....

Complete application of the water to the proposed use shall be made on or before October 1, 19...82.....
Extended to Oct. 1, 1983

WITNESS my hand this 20th day of June , 19....79.....

Deputy
Water Resources Director
