WITNESS my hand this day of, 19.....

Water Resources Director

By

This instrument was first received in the office of the Water Resources Director at Salem, Oregon, on the 28th day of June, 1978, at 11:00 o'clock A.M.

Application No. 57584

Permit No. 44335

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.225 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Elk Creek, a stream, a creek, a spring and a reservoir to be constructed under application No. R-57583, permit No. R-7845.

The use to which this water is to be applied is irrigation and domestic use for one family; being 0.08 c.f.s. from Elk Creek for irrigation, 0.14 c.f.s. from the stream and reservoir for irrigation and 0.005 c.f.s. from the spring with any deficiency in the available supply to be made up by diversion of water from the creek and Elk Creek for domestic use.

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is June 28, 1978

Actual construction work shall begin on or before August 31, 1980 and shall

thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1981

Complete application of the water to the proposed use shall be made on or before October 1, 1982

WITNESS my hand this 31st day of August, 1979

James E. Sexton Water Resources Director
