Application No. 59015

Permit No. 44355

Remarks: This is the second application I have sent to you and would like the original permit to be superseded, also the \$35.00 fee be transferred, am enclosing another \$10.00 for the irrigation. We are in the process of getting a veterans loan, would like to ask that if this application is accepted a letter could be sent to us, and after the Dept of Vet Affairs to verify that, thank you

This instrument was first received in the office of the Water Resources Director at Salem, Oregon, on the 3rd day of August, 1979, at 8:00 o'clock A.M.

Application No. 59015

Permit No. 44355

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.055 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Chute Creek and West Fork Millacoma River

The use to which this water is to be applied is.... domestic use for one family and irrigation, being 0.005 c.f.s. from Chute Creek for domestic use and 0.05 c.f.s. from West Fork Millacoma River for irrigation.....

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated..... and shall be further limited to a diversion of not to exceed 2½ acre feet per acre for each acre irrigated during the irrigation season of each year.....

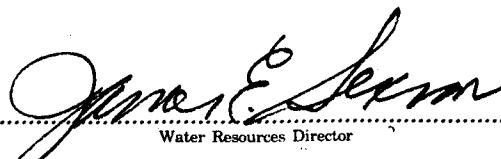

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 3, 1979 for use of 0.005 c.f.s. from Chute Creek and August 27, 1979 for use of 0.05 c.f.s. from West Fork Millacoma River

Actual construction work shall begin on or before September 27, 1980 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19.81.....

Complete application of the water to the proposed use shall be made on or before October 1, 19.82.....

WITNESS my hand this 27th day of September , 19.79.....

Jim E. Seem
Water Resources Director
