SALEM, OREGON

*APPLICATION FOR PERMIT

To Appropriate the Public Waters of the State of Oregon

I,Crown Zellerbach Corporation
of 1500 SW First Avenue , Portland , (City)
State of
following described public waters of the State of Oregon, SUBJECT TO EXISTING RIGHTS:
If the applicant is a corporation, give date and place of incorporation
August 28, 1924 Nevada.
1. The source of the proposed appropriation is Scott Creek (Name of stream)
, a tributary of Klamath Marsh
2. The amount of water which the applicant intends to apply to beneficial use is
cubic feet per second (If water is to be used from more than one source, give quantity from each)
3. The use to which the water is to be applied is forest fire control as needed 0.0125 cubic feet per second. (Grigation, power, mining, manufacturing, domestic supplies, etc.)
on an emergency basis and stock watering = 0,0125 CFS for 30 sheep.
4. The point of diversion is located890 ft
corner of Section 17 (Section or subdivision)
(If preferable, give distance and bearing to section corner)
the three is more than one point of diversion, each must be described. Use separate sheet if necessary) being within the NW2 NW2 of Sec. 17 Tp. 31 S (Give smallest legal subdivision) of Sec. 17 (N. or S.)
(Give smallest legal subdivision) R
5. The none to be
in length, terminating in the of Sec, Tp, (N. or S.)
R, W. M., the proposed location being shown throughout on the accompanying map.
DESCRIPTION OF WORKS Diversion Works—
6. (a) Height of dam feet, length on top feet, length at bottom
feet; material to be used and character of construction
rock and brush, timber crib, etc., wasteway over or around dam)
(b) Description of headgate
(c) If water is to be pumped give general description various sizes of portable gas engine (Size and type of pump)
pumps suitable for filling tank trucks. (Size and type of engine or motor to be used, total head water is to be lifted, etc.)
conce and type of engine of motor to be used, total nead water is to be littled, etc.)
*A different form of application is provided where storage works are contemplated. Such forms can be secured without charge, together with instructions, by addressing the State Engineer, Salem, Oregon 97310.
