This instrument was first received in the office of the Water Resources Director at Salem, Oregon, on the 30TH day of MARCH, 19 79, at 12:50 o'clock P.M.

Application No. 58475.....

Permit No. 44382.....

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 3.45 cubic feet per second measured at the point of diversion from the

stream, or its equivalent in case of rotation with other water users, from North and South Forks of Valentine Creek, Alder Creek, and the reservoir to be constructed under Application No. R-58474, Permit No. R- 7928 and four reservoirs constructed under Permits No. R-1926, R-1927, R-1928, and R-2301, being 0.05 c.f.s. from Alder Creek and reservoir constructed under Permit R-1926, 0.69 c.f.s. from North Fork Valentine Creek and reservoir to be constructed under Application R-58474, Permit R- ** (See Below)

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year.

** 0.96 c.f.s. from South Fork Valentine Creek and reservoir constructed under Permit R-2301, 0.33 c.f.s. from South Fork Valentine Creek and reservoir constructed under Permit R-1928, and 1.42 c.f.s. from South Fork Valentine Creek and reservoir constructed under Permit R-1927.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is March 30, 1979

Actual construction work shall begin on or before September 27, 1980 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1981

Complete application of the water to the proposed use shall be made on or before October 1, 1982

WITNESS my hand this 27th day of September, 1979

James E. Sumner Water Resources Director
