Application No. 58800

Permit No. 44405

Application No. 58800

Permit No. 44405

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 3.43 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Blackjack Creek, dairy waste and an animal waste lagoon to be constructed under Application No. R-58799, Permit No. R-7935

The use to which this water is to be applied is supplemental irrigation and dairy barn use: being 3.15 c.f.s. from dairy barn waste and lagoon for irrigation and 0.28 c.f.s. from Blackjack Creek and 0.28 c.f.s. from dairy barn waste and lagoon for dairy barn use.

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year, provided further that the dairy barn use from Blackjack Creek from July 31 through September 15 of each year shall be limited solely to actual consumption by the livestock

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is June 18, 1979

Actual construction work shall begin on or before October 17, 1980 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1981

Complete application of the water to the proposed use shall be made on or before October 1, 1982

WITNESS my hand this 17th day of October, 1979

James E. Sear
Water Resources Director
