This instrument was first received in the office of the Water Resources Director at Salem, Oregon, on the 3rd day of July, 1979, at 11:00 o'clock A.M.

Application No. 58804

Permit No. 44437

WATER RESOURCES DEPT
SALEM, OREGON

RECEIVED
SEP 26 1979

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.35 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from an unnamed stream with any deficiency in the available supply at the unnamed stream to be made up by diversion of water from North Myrtle Creek

The use to which this water is to be applied is irrigation, domestic use for one family and stock use; being 0.34 c.f.s. for irrigation, 0.005 c.f.s. for domestic use, and 0.005 c.f.s. for stock use

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is July 3, 1979

Actual construction work shall begin on or before October 17, 1980 and shall

thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1981

Extended to Oct. 1, 1981

Complete application of the water to the proposed use shall be made on or before October 1, 1982

Extended to Oct. 1, 1984

WITNESS my hand this 17th day of October, 1979

James E. Seymour Water Resources Director
