WATER RESOURCES DEPT
SALEM, OREGON

Application No. 59310

Permit No. 44629

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same **SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD** and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.34 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Scholey Gulch

The use to which this water is to be applied is domestic use for two families and mining, being 0.01 c.f.s. for domestic and 0.33 c.f.s. for mining. The use of water for mining is restricted to the period of October 1 to June 1 of each year.

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated

This permit is issued subject to the maintenance and use of adequate treatment facilities to remove the sediment before returning the water to the stream.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is September 6, 1979 for 0.05 c.f.s. and December 14, 1979 for 0.29 c.f.s.

Actual construction work shall begin on or before February 7, 1981 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1981

Complete application of the water to the proposed use shall be made on or before October 1, 1982

WITNESS my hand this 7th day of February, 1980

Water Resources Director
