Application No. 58998

Permit No. 44746

44746

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 1.97 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from waste water

The use to which this water is to be applied is supplemental irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated provided that the right allowed herein shall be limited to any deficiency in the available supply of any prior rights existing for the same land and shall not exceed the limitation allowed herein; provided further that the amount of water rediverted from the channel of the Pleasant View Irrigation Company Ditch shall not exceed the amount by which the flow of said ditch at the point of rediversion is increased above the flow by the introduction of waste water, and measuring devices be installed as directed by the Watermaster, and shall also be limited to the water available at the proposed point of diversion and shall not carry with it the right to compel the continuance of waste water and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 2, 1979

Actual construction work shall begin on or before April 9, 1981 and shall

thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1982

Extended to Oct. 1, 1983

Complete application of the water to the proposed use shall be made on or before October 1, 1983

Extended to Oct. 1, 1983

WITNESS my hand this 9th day of April, 1980
