Remarks: I believe that the 1.5 acres shown on map relating to the right described in Certificate # 13771 (application 17928) was erroneously plotted; said certificate incorrectly located the 1.5 acres in NW 1/4 SE 1/4 instead of SW 1/4 NE 1/4 of Section 3. The stored water is a supplemental supply for this 1.5 acres; I request that your records be amended to properly locate the primary right.
