Permit No. 45190

\$21.00

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 38.0 gallons per minute measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from unnamed stream, tile line, and reservoir to be constructed under application No. R-59747, permit No. R-8181, being 35.0 gpm from stream and reservoir and 3.0 gpm from tile line and reservoir.

The use to which this water is to be applied is.....irrigation and supplemental irrigation.....

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated...and shall be further limited to a diversion of not....to exceed 2½ acre feet per acre for each acre irrigated during the irrigation season of each year; provided further that the right allowed herein shall be limited to any deficiency in the available supply of any prior right existing for the same land and shall not exceed the limitation allowed herein; provided further water shall not be appropriated from direct flow during the period from July 31, through September 15 of each year.....

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

January 31, 1980 for 35.0 gpm

The priority date of this permit is August 18, 1980 for 3.0 gpm.....

Actual construction work shall begin on or before November 26, 1981 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19.....⁸².....

Complete application of the water to the proposed use shall be made on or before October 1, 19.....⁸³.....

WITNESS my hand this 26th day of November , 19..... 80
