(h) The nature of the mines to be served .....

MUNICIPAL SUPPLY—

11. To supply the city of \_\_\_\_\_  
\_\_\_\_\_ County, having a present population of \_\_\_\_\_, and an  
(Name of) estimated population of \_\_\_\_\_ in 19.....

(Answer questions 12, 13, 14 and 15 in all cases)

12. Estimated cost of proposed works, \$ 500.00

13. Construction work will begin on or before At once

14. Construction work will be completed on or before 30 days

15. The water will be completely applied to the proposed use on or before 30 days

Duplicate maps of the proposed ditch or other works, prepared in accordance with the rules of the State Water Board, accompany this application.

WICHITA SAND AND GRAVEL CO.

(Name of applicant)

by James A C Tait, President,

by Brockwell Statler (S) Secretary

Signed in the presence of us as witnesses:

(1) \_\_\_\_\_  
(Name) (Address of Witness)

(2) \_\_\_\_\_  
(Name) (Address of Witness)

Remarks: Attached hereto are two blue prints showing the point the water is taken from Johnson Creek. The water is pumped a short distance between two and three hundred feet to adjoining land where it is used for the purpose of washing sand and gravel, for commercial purposes. The water then is turned back into Johnson Creek after being filtered through the gravel so as to cleanse it. No tracing is attached for the reason that there is no pipe line or ditch of any appreciable length.

STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for correction or completion, as follows:

In order to retain its priority, this application must be returned to the State Engineer, with corrections, on or before \_\_\_\_\_, 19.....

WITNESS my hand this \_\_\_\_\_ day of \_\_\_\_\_, 19.....

State Engineer.

\$8.00

STATE OF OREGON, } ss. County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right to the use of water herein granted is limited to the use of water for washing sand and gravel

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1.0 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is March 30, 1920

Actual construction work shall begin on or before April 20, 1921 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1922

Complete application of the water to the proposed use shall be made on or before October 1, 1923

WITNESS my hand this 20th day of April, 1920 Percy A Cupper State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.
