Application No. 59543

Permit No. 45370

42330

Permit to appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 1.15 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Stanfield Drain.

The use to which this water is to be applied is irrigation and supplemental irrigation.

If for irrigation, this appropriation shall be limited to 1/40th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 4 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year, provided further that the right allowed herein shall be limited to any deficiency in the available supply of any prior right existing for the same land and shall not exceed the limitation allowed herein.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is December 7, 1979

Actual construction work shall begin on or before January 26, 1982 and shall

thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1982 extended to 10-1-89

Complete application of the water to the proposed use shall be made on or before October 1, 1983 extended to 10-1-87

WITNESS my hand this 26th day of January, 1981

Signature of James E. Seaman, Water Resources Director
