RECEIVED  
 JUN 11 1981  
 WATER RESOURCES DEPT  
 SALEM, OREGON

Remarks: The majority of these lands have been irrigated since 1907 from Abbeloos Reservoir, when water was available, the land being part of the desert entry claim of Ben Abbeloos (see Land Office Case No. 01629, Lakeview, Oregon). In filing this Application, the Applicant does not waive or abandon any vested rights appurtenant to said lands.

This permit, when issued, is for the beneficial use of water. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan. It is possible that the land use you propose may not be allowed if it is not in keeping with the goals and the acknowledged plan. Your city or county planning agency can advise you about the land-use plan in your area.

Application No. 61782

Permit No. 46064

Permit to Appropriate the Public Waters of the State of Oregon

This is to certify that I have examined the foregoing application and do hereby grant the same SUBJECT TO EXISTING RIGHTS INCLUDING THE EXISTING FLOW POLICIES ESTABLISHED BY THE WATER POLICY REVIEW BOARD and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 418.0 acre feet stored water only measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Abbeleos Reservoir constructed under Application R-61781, Permit R-8309

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to a diversion of 2 1/2 acre feet for each acre irrigated during the irrigation season of each year, from reservoir to be constructed under Permit R-8309

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is June 11, 1981

Actual construction work shall begin on or before October 29, 1982 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1983

Complete application of the water to the proposed use shall be made on or before October 1, 1984

WITNESS my hand this 29th day of October, 1981

James E. Sullivan Water Resources Director
