Actual construction work shall begin on or before April 29, 1984, and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1985.

Complete application of the water to the proposed use shall be made on or before October 1, 1986.

Witness my hand this 29th day of April, 1983.

/s/ JAMES E. SEXSON  
WATER RESOURCES DIRECTOR

This permit, when issued, is for the beneficial use of water. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan. It is possible that the land use you propose may not be allowed if it is not in keeping with the goals and the acknowledged plan. Your city or county planning agency can advise you about the land-use plan in your area.
