STATE OF OREGON, \\
County of Marion, \

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to

one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to	to the appropriation of water	from Jimmy Cre
for irrigation purposes.		
The amount of water appropriated shall be limi	ted to the amount which can be app	lied to beneficial
use and not to exceed	cubic feet per second, or its equi	valent in case of
rotation. The priority date of this permit is	August 18, 1920	
Actual construction work shall begin on or before		and shall
hereafter be prosecuted with reasonable diligence a		·
,	June 1, 1922	
Complete application of the water to the propos	ed use shall be made on or before	
	October 1, 1923	
WITNESS my hand this 27th da	y of August, 1920	
	Percy A Cupper	
		State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.
