The AMOUNT OF WATER used for irrigation, together with the amount secured under any other right existing for the same lands shall be limited to $\frac{1}{40}$ of one cubic foot per second per acre, and shall be further limited to a diversion of not to exceed 1.5 acre-feet per acre for each acre irrigated during the period from November 15 to the last day of February of each year, provided further that the right allowed herein, together with the amount secured under any other right existing for the same lands shall not exceed 4.5 acre-feet for each acre irrigated in any one year, provided further, that the part declared herein to be for supplemental irrigation, the right allowed may, in the interest of conserving the ground water supplies, be exercised at times when water is available in the ground water supply provided the total quantity diverted from all sources of supply does not exceed the limitation allowed herein. The use of water during the period from November 15 to the last day of February of each year shall not establish priority of right as against future appropriations for beneficial uses or storage for such beneficial uses, other than similar rights for irrigation from November 15 to the last day of February.

Actual construction work shall begin on or before June 11, 1985 , and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19 86. Extended to October 1, 1988

Complete application of the water to the proposed use shall be made on or before October 1, 19 87 Extended to October 1, 1988

Witness my hand this 11th day of June , 19 84 .

/s/ WILLIAM H. YOUNG
WATER RESOURCES DIRECTOR

This permit, when issued, is for the beneficial use of water. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan. It is possible that the land use you propose may not be allowed if it is not in keeping with the goals and the acknowledged plan. Your city or county planning agency can advise you about the land-use plan in your area.
