\$13.00

STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to

one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The right herein granted is limited to the appropriation of water from a spring

for operating pump and for domestic use including stock water.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 5.75 sec. ft. for operating pump and 0.25 cubic feet per second for domestic rotation. The priority date of this permit is January 4, 1921.

Actual construction work shall begin on or before February 25, 1922 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1923.

Complete application of the water to the proposed use shall be made on or before

October 1, 1924

WITNESS my hand this 25th day of February, 1921

Percy A Cupper

State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.

This form approved by the State Water Board, March 11, 1909.
