Remarks: Cedamill creek runs through my farm, the pond referred to on the map is on my land, also the water falls that will operate the ram is on my place.

There is no construction required, other than installing the ram and gasoline pump as shown on the accompanying map. I do not want to divert the stream.

I own land on both sides of the Cornell road, and I want to irrigate 15 acres of land on the North side of the road, by pumping water, with gasoline pump, from the pond or lake, and I want to irrigate 20 acres of land on the South side of the Cornell road, by installing a ram or a series of rams.

Permission is desired in both cases to use the water for watering stock and domestic fowls. The water is not desirable for human consumption.
