Actual construction work shall begin on or before September 27, 1989, and shall be completed on or before October 1, 1990. Complete application of the water to the use shall be made on or before October 1, 1991.

This permit is for the beneficial use of water. By law, the land use associated with this water use must be in compliance with statewide land-use goals and any local acknowledged land-use plan. It is possible that the land use you propose may not be allowed if it is not in keeping with the goals and the acknowledged plan. Your city or county planning agency can advise you about the land-use plan in your area.

The right is subject to minimum flows established by the Water Resources Commission with an effective date prior to this right.

Issued this date, September 27, 1988.
