Remarks: We have built a reservoir at the head of the spring in which to hold about
500 barrels of water, to regulate spring so we will have enough water for Domestic use
in dry season, and this application is made for the purpose of using any surplus over
and above that granted for domestic use by Permit No. 4684, such surplus to be used for
irrigation, operating prune dryer, and such other uses as may be necessary or convenient,
the object being to obtain the full amount of water flowing from said spring not now
used for domestic purposes under Permit No. 4684 held by these applicants,
